CONDITIONS

The Licensee shall comply with all the provisions of the Telecommunication Convention which relate to mobile stations and the station shall be worked in conformity with such provision, and also in conformity with the relative provisions of the International Telecommunications Regulations.

1. This Licence is issued subject to the provisions of the Wireless Telegraphy Act, 1940 and any Regulations now in force or which may hereafter be in force under the same.
2. The station shall only be used to send messages and signals to other stations of the mobile service and to receive messages and signals from other stations of the mobile service.
3. The Licensee shall keep the station and in particular the headgear receivers thereof in a clean and sanitary condition.
4. The Licensee shall screen all lights emanation from the station and screen or isolate all dangerous parts thereof in such a manner as may be necessary to ensure the reasonable comfort and health of the operators.
5. The station shall be worked only by operators holding certificates issued by a duly recognised authority.
6. The Licensee shall not receive by means of the station messages not intended for receipt thereby and if any such messages shall involuntarily be received at the station the Licensee shall not divulge the existence or the contents thereof to any person.
7. The Licensee shall keep full accounts, records and registers of all messages sent and received by means of the station and in such registers each of such messages shall be accompanied by its identifying number and date and full particulars of its place of origin and of ultimate destination and such further particulars as the Inspector shall from time to time reasonably require to be shown. The Licensee shall preserve all used message forms, written and printed and transcripts of messages and all other papers for such period as is from time to time prescribed by the International Telecommunications Regulations and such registers and message papers shall be open to the inspection of the Inspector at the registered office for that time being of the Licensee or at such other place as the Inspector shall determine.
8. The Licensee shall render to the appropriate AAIC such accounts in respect of all charges due or payable under the International Radio communication Regulations in respect of messages exchanged between the station and coast stations and shall pay direct all sums which shall be due from the Licensee under such accounts.
9. The Licensee shall notify the Inspector of any alterations which may be made from time to time in the power or frequencies or type or types of waves used for transmission.
10. The Inspector may at all reasonable times enter upon the station for the purpose of inspecting and may inspect any apparatus fixed or being in the station for the purpose of sending and receiving messages and all other instruments and apparatus fixed or being in the station and the working and user of such apparatus and instruments respectively.
11. The present Licence, the Telecommunications Convention and the Postmaster General's Handbook for Wireless Operators shall be carried on board the ship in the wireless room together with any documents which the Inspector may prescribe as necessary for carrying on the work of the station. The Licence shall be available for inspection when required by competent authorities of the countries where the ship calls.
12. The Licensee shall pay the sum of B\$ 150.00 forthwith to the Inspector for and in respect of the Licence hereby granted and a sum of B\$ 150.00 on the 1st day of January in each year during which the Licence remains valid.
13. This Licence may be revoked and determined at any time by notice in writing to the Licensee and shall there from cease determine and become void but without prejudice to any right of action or remedy which shall have accrued or shall thereafter accrue under any condition or provision herein contained.
14. Any notice request or consent (whether expressed to be in writing or not) to be given under the Licence may be signed by the Principal Registrar and may be served by being sent in a registered letter addressed to the Licensee (if a Company) at its registered office for the time being or if not a Company at his last known address or by delivery to the master of the ship upon which the station is installed and any notice to be given by the Licensee under this Licence may be served by being sent in a registered letter addressed to the Principal Registrar.
15. The expression "Telecommunication Convention" means the Convention signed in Madrid on the 9th day of December, 1932 and the Radio communication Regulations annexed thereto and includes any Convention and/or Regulations which may from time to time be in force in substitution for or in amendment of the said Convention and/or regulations.
The expression "International Telegraph Regulations" means the Telegraph Regulations annexed to the Telecommunication Convention and includes any Regulation which may from time to time be in force in substitution therefore or in amendment thereof.
The expression "Inspector" means the Inspector appointed for the purpose of the Wireless Telegraphy Act, 1940.
16. The expressions used in this Licence have the same meaning as in the Telecommunications Convention unless there is something in the subject or context repugnant to such construction.
17. This Licence covers the installation and maintenance of apparatus for radio communication in lifeboats carried by the ship and the use of such

apparatus during the voyage of the ship or during an emergency subject to the conditions contained in the Licence. Such apparatus shall comply in all respects with any rules relating to radio installation on ships' lifeboats which may be made by the International Maritime Organisation from time to time.

- 18. Any Licence or Permit hereto before granted by or on behalf of Barbados to the Licensee in respect of the station is hereby revoked.
- 19. This Licence does not authorise the Licensee to do, or to cause or allow to be done, any act or thing which is an infringement of any copyright which may exist in the matter transmitted.
